In compliance with article 227 of the Redrafted Text of the Spanish Securities Market Law, ABERTIS INFRAESTRUCTURAS, S.A. ("Abertis" or the "Company"), hereby notifies the Spanish National Securities Market Commission of the following

RELEVANT FACT

After having obtained the corresponding legal authorisations, Abertis, via its subsidiary Abertis Telecom Satélites, has closed the sale of its 89.7% stake in Hispasat -announced in February 2019- to Red Eléctrica Corporación.

The transaction has been closed for a total amount of €933 Mn. The company plans to allocate net proceeds to regular management of Abertis' liabilities and to growth projects.

As a result, Abertis has no stake in Hispasat, following its strategy to focus on the toll road sector.
